OF TRUTH

## HOW DID THE ISRAELITES CROSS THE RED SEA?

On dry ground, as God parted the sea  
for them to pass through.

## HOW DID THE PEOPLE GET FOOD ALONG THE WAY?

God sent manna from heaven.

## WHAT HAPPENED WHEN GOD'S PEOPLE WERE FREED FROM SLAVERY?

Israel struggled with trusting God's provision  
as they wandered through the wilderness.

# MOSES

## THE CHOSEN TRACKER

When Moses led the Israelites out of Egypt, they were very impatient and untrusting, despite all they had seen God do. Even though God continued to provide time and time again, they believed they would be better off back in Egypt as slaves. We, too, often forget God and what He has done for us, and our hearts go astray. We need to remember Him and to keep our hearts true to Him. When we do go astray, He always lovingly invites us back into a close relationship with Him.

# MEMORY VERSE

So whether you eat or drink or whatever you do,  
do it all for the glory of God.
